IMPORTANT. Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately. NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the www.NADACForum.com within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the Forum by going to www.NADACForum.com and submitting your request. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels. Points earned at a higher level of a class, prior to the completion of the lower level title, will not be recorded by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

Non-Jumping Classes—Veteran or Disabled Handler. Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only.

The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course. When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

As of January 2014: Dogs must enter the Veterans Division in all jumping classes after their 9th birthday. After their 12th birthday, dogs must enter the skilled Category, Veterans Division for jumping classes and Skilled Category for non-jumping classes.

Awards: Rosettes will be awarded for Q's in all classes. Placements Ribbons will be awarded for 1st-4th place in each class except Chances. Chances is a pass/fail class so no placement ribbons are awarded. We will have NATCH ribbons and bars available as well!

NOTICE TO EXHIBITORS

Below is a brief summary of NADAC rules. Please refer to www.nadac.com for a full explanation of all NADAC rules and up to date information. Please note that NADAC trials should provide a safe and fun environment for both exhibitors and their dogs. Aggressive dogs will not be tolerated and will be excused from the trial. The show committee has the right to refuse any entry. Anyone not currently in good standing with NADAC will not be allowed to enter this trial. Exhibitors, through submission of entry, acknowledge that they are knowledgeable of NADAC rules and regulations, and agree to abide by all rules in effect at the time of this trial. No entry fee will be refunded if the trial cannot open or be completed by reasons of riots, civil disturbances, fire, acts of God, public emergency, an act of a public enemy, or any other cause beyond the control of the organizing committee. Checks not honored by the bank do not constitute a valid entry fee. There be a \$25.00 service charge for bank returned checks. **Dog must be registered and have a valid registration number before entries will be accepted. <http://nadac.com/afirm/dogregfrm.asp>

A copy of the current Exhibitors Handbook may be downloaded free from the NADAC web site: www.nadac.com

DAY OF SHOW

Doors open at 7:00 am

Check in and Measure will begin at 7:00 AM Saturday and Sunday.

General briefing will be at 7:45 each day with the first walk through immediately prior. Note that the walk through will happen before the general briefing. First dog on the line no later than 8:00 am both days. This schedule is tentative. Please see confirmation for exact times.

All dogs entered in the Proficient category, Standard Division for Novice, Open or Elite jumping 8", 12" or 16" are required to be measured. Dogs jumping 20" or 20+ are not required to be measured, nor are Veteran or JH dogs that jump 16", nor are Skilled category dogs at any jump height. Height cards are not issued for dogs jumping 20". Dogs with permanent height cards need not be measured. Jump Height Exemptions: Dogs listed on the Jump Height Exemption list are not required to be measured.

It is believed that, at all times, handlers will enter their dogs at the appropriate heights, using sound ethics and good sportsmanship. This height exemption is for the health and well-being of the dog, not to give one dog a competitive edge over another dog. NADAC assumes that any handler who enters a dog at a lower lever height has done so to maintain the longevity and good health of their canine companion.

WORKERS NEEDED! PLEASE HELP OUT!

The only way this trial can happen is with your help. To make this easy, there will be a large Worker Schedule posted at the trial site where you can sign up to work the classes and jobs that YOU prefer to work! Remember, the Worker Schedule must be filled out and workers assigned before each class can begin.

In appreciation of your help Act-Up Agility will provide light snacks as well as a workers raffle

CATEGORIES:

Each class will be split into two categories, Proficient and Skilled. **A dog may only be entered in ONE category per weekend.** The dog must be entered in all Proficient or all Skilled categories for all classes entered on a particular weekend.

In the **Proficient Category**, dogs must jump their measured jump height per the current jump height table. There are five Standard Division-Proficient jump heights: 8", 12", 16", 20".

In the **Skilled Category**, exhibitors MUST jump their dog one jump height lower than they are required to jump in the Standard Division in the Proficient Category. There are four Standard Division-Skilled jump heights: 4", 8", 12", and 16".

For example, a dog who measures to jump 20" or 20+ in the Standard division, Proficient category, must jump 16" in the Standard division, Skilled category and will receive the benefit of the additional time allotted to the 16" dogs. If this same dog is also a Veteran, or is handled by a Veteran/Disabled Handler or Junior Handler, he may enter the Veteran or JH Division and jump another 4" lower. This dog would receive the time allotted to the 16" Vets jumping 12".

Runs in both Proficient and Skilled must be clean, with no course faults or time faults, in order to qualify. However, in Regular Agility the run may receive a 5-point qualifier if the total number of faults (time- or course-faults) are 5 or fewer.
